Invitation

On behalf of the Nelson Marlborough branch of the New Zealand Dental Association I am excited to invite you to *Reflections on Care*, the NZDA Conference 2011.

For the first time the NZDA conference is being hosted in Marlborough and, to celebrate the lifestyle that we proudly have here, the conference organising committee has planned a programme that reflects not only the care we provide to our patients but how we take care of ourselves. There will be an intellectual and thought provoking scientific programme brought to us by excellent international and local speakers presenting clinically related topics. To balance this there will be sessions with a bent towards self care and lifestyle. This includes a unique new addition to the programme of the two optional off-site lifestyle sessions.

The trade display will be onsite with the industry well represented for your convenience, while the social programme promises to be of the highest standard as it showcases some of Marlborough’s quintessential qualities.

I look forward to seeing many of you in Marlborough in August and hope you will be able to take an extra day or two to experience some more of our wonderful area while you are here.

Dr Andrea Koorey  
*Conference Chairperson*
Pre-conference Tour

Wednesday 10 - Thursday 11 August

Take the opportunity to spend an extra night in the stunning Marlborough region by joining our pre-conference tour to the beautiful Marlborough Sounds staying at the five star Bay of Many Coves Resort.

Relax in your luxury apartment, enjoy the views from your balcony, take up a pampering treatment in the day spa or soak in the hot tub under the stars. In the evening you are invited to indulge in fine cuisine at our restaurant, freshly prepared by our experienced chefs. Awake to the sound of tuis and bellbirds as you make your way down to the waterfront for breakfast at the Kumatage. Your days activities may include, catching a fish from a dinghy, kayaking the bay or walking to the lookout for views back to Picton and out to Cook Strait before departure on the Cougarline Watertaxi.

The package includes:

- One night’s accommodation in a luxury one bedroom apartment at the Bay of Many Coves
- A three course dinner in the evening at the Foredeck Restaurant
- Full breakfast in the morning
- Return water transfers between the resort and Picton by scheduled water transport.

Depart: Picton wharf on Wednesday 10 August at 12 noon
Return: from Bay of Many Coves on Thursday 11 August at 12 noon
Cost: One night total $789.50 for two persons. Additional nights available on request.

Please note that you will need to make your own way to Picton to meet the scheduled water transport and from Picton to attend the conference in Blenheim. The drive from Blenheim to Picton is approximately 25 minutes and a variety of shuttles are available that run between the two destinations. Please see the conference website for more information.

Venue

Marlborough Convention Centre
42a Alfred Street, Blenheim

The brand new Marlborough Convention Centre is a purpose-built facility offering superb design and the most up-to-date technologies to help ensure the success of this year’s conference. Set in the heart of Marlborough in the beautiful regional centre of Blenheim and on the banks of the Taylor River, the Marlborough Convention Centre boasts state-of-the-art facilities offered in a relaxed and tranquil setting that will enhance your NZDA conference experience. We invite you to enjoy this fabulous facility and experience all that Marlborough has to offer.

Blenheim, Marlborough

Located at the top of the South Island, Marlborough enjoys high sunshine hours and a temperate climate, with the average temperature in the month of August sitting at 12 degrees Celsius. The town of Blenheim (pop. 28,200) is the region’s commercial hub and the beating heart of the famous Marlborough wine district. Blenheim’s compact town centre makes it easy to explore on foot, with many unique shops to tempt your credit card.

Adventurers young and old will find a great choice of activities on land and on water and even in the air. Hiking, sea kayaking, sailing, cruising, mountain biking, rafting, scenic flights, fishing, diving, horse trekking, or just relaxing and enjoying the views: from laid back to full adrenaline rush, there is an experience waiting for you in Marlborough.
Pre-conference Courses

Thursday 11 August

Please book your place by registering online at www.nzda.org.nz or by completing the enclosed registration form. Places for each course are limited and will be allocated on a ‘first-in, first-served’ basis.

Further details on the course content and presenters are available on the conference website www.nzda.org.nz. Pre-conference courses are only available to registered conference delegates and will be held at Brancott Estate - located ten minutes out of Blenheim on State Highway 1. Coaches will depart the Marlborough Convention Centre 30 minutes prior to the start of each course and return at the conclusion of the course. Please indicate on your registration form if you require transportation. Should you wish to drive yourself, please refer to the map on the inside back cover.

Neil Dewar, Karen Harris, Nick Tramoundanas and Eduard Durrheim

Advancements in CADCAM in the New Zealand dental practice

CADCAM advancements are impacting surgeries and laboratories in New Zealand, and patient’s expectations are increasing. A dentist has many crown and inlay restorative and production options available.

- With an understanding of the materials and methods available, dentists are then equipped to a wider range of restorative options for their patients.
- With stronger ceramics and stronger bonding systems are we able to use less destructive preparation designs along with more aesthetic materials?
- What are the long term results?
- What impact does this have on our current methods?
- Is bonding easier than it used to be?
- Which generation is providing better results than others?
- What do digital impressions mean for your practice?

This one-day seminar will provide NZ dentists with an overview of the CADCAM methods that are available in New Zealand. You will be enabled to assess which options suit you now, and what is appropriate for the future. Whether it is a one-appointment in-surgery method, or an impression sent to your laboratory, you will be able to assess the suitability for your patients requirements.

Presentation type: Lecture
Time: 9.30am – 4.30pm
Fee: $395

Kindly sponsored by Sirona

Radu Goga

Strategies and technologies in non-surgical endodontics for success

Successful endodontic outcomes depend on access, cleaning, shaping and obturating canals. This seminar will provide participants with the techniques and the knowledge to utilise more recent advancements in non-surgical endodontics and understand how they relate to factors that influence successful treatment outcomes.

Presentation type: Lecture
Time: 1.30pm – 5.00pm
Fee: $180

Kindly sponsored by Dentsply

When business meets dentistry

Facts, myths and opportunities for tomorrow’s dental practice

Change always creates winners and losers. A changing world requires a re-think of our business strategies if we are to succeed and maintain the impetus of success. How does the dental practitioner adopt and adapt the current ideas from the world of business, and apply them to the dental practice setting, and how do we preserve our ethics and professionalism when difficult business decisions need to be made – and still come out on top? This seminar picks the brains of several business gurus and teases out some great tips for taking us through challenging times.

Presentation type: Lecture
Time: 1.30pm – 4.30pm
Fee: $115

Kindly sponsored by Dental Protection

**Friday 12 August**

**Phil Gifford**

Phil Gifford is the first person to twice win the New Zealand Sports Journalist of the Year award. He hosts the rugby show “Front Row” on Radio Sport every Saturday, writes a weekly column in the Sunday Star-Times, and airs sports comments on NewstalkZB.

Phil has reported on every Rugby World Cup since 1987, the Olympic and Commonwealth Games, and every rugby test played in New Zealand since 1977. He has covered rugby in Australia, South Africa, Argentina, France, Great Britain, Ireland and Samoa.

The creator of satirical rugby character Loosehead Len, he is the author of 14 books, hosted No.1 breakfast radio shows in Auckland and Christchurch, and won 12 radio awards over three decades in New Zealand and Australasia.

**Behind the scenes at the Rugby World Cup**

Phil Gifford, who has reported at every Rugby World Cup, will give a unique insight into the tournament, giving the answers to questions you may not have even thought of asking. Why did a long retired pop star have to sing at the opening game in 1987? Who was the All Black who wished he hadn’t been at the 1991 Cup? What was Andrew Mehrtens secret wish after 1995? Who was the All Black coach to whom English was a second language? Who feared the kiss of life in the press box in 2007? The World Cup as you’ve never heard it before.

**Saturday 13 August**

**Mike Hutcheson**

After gaining entry into the Ilam School of Fine Arts, then taking a sharp right turn and studying Law, Mike Hutcheson discovered advertising and went on to win the Reader’s Digest Scholarship as New Zealand’s Most Outstanding Young Advertising Man.

Mike was co-founder of a number of leading advertising agencies, spent three years with TV and film production house Communicado and was Managing Director of Saatchi & Saatchi. He has been part of teams that have produced many of New Zealand’s memorable advertising campaigns. In early 2003 Mike launched The Lighthouse Ideas Company, an ideas company which will “dress people up in their Sunday best”.

**Stories from the near future**

This presentation will explore, in a humorous way, how - although we live in a time of rapid change – at a fundamental human level everything stays the same. We look at how creativity is bred out of us at school and how life is dominated by bureaucrats. How different minds work and how we can get to know ourselves better to understand what makes us happy. We look at the meaning of creativity and how we can collaborate to get the best out of the people around us.
Lifestyle Sessions

**Friday 12 August: 11.45am – 1.45pm**

**The Cheese Files: an insiders look at the art of cheese-making**

Time: 11.45am - 1.45pm  
Cost: $139 per person

- Coach transport and a lunchbox included, group size minimum 10, maximum 30.

Join our local Marlborough cheese-maker for a fun and informative, hands-on cheese class. Talk with the cheese-maker about how the cheeses are made:

- What makes a blue go blue
- How you get the distinctive taste/smell into washed-rind cheeses
- How cheese (like wine) reflects the character of the land and some of the secrets of traditional cheese-making (like how in the old days, we used to bump up the level of blue mould spores in the maturing chamber, by putting in some old leather boots…!)
- Plenty of time for cheesy questions.

Then get hands-on as we explore a number of great recipes and create two different cheeses. By the end of the class the group will learn around four different recipes for everything from ricotta to parmesan. Complete the class with a delicious cheese-tasting, accompanied by award-winning Marlborough wines. A wonderful wine and food experience.

**Greenfingers: behind the scenes of successful strawberries**

Time: 11.45am - 1.45pm  
Cost: $89 per person

- Coach transport and a lunchbox included, group size minimum 20, maximum 40.

The perfect outing for the budding (and keen) gardener. Visit the successful Hedgerows Hydroponics for an educational hands-on tour and talk. Hedgerows aim for stunning strawberries on the market before all others with the aim of first fruit by mid-August. So it is the perfect time for study as plants will just be starting to produce, while others will just be flowering and fruit forming.

**Saturday 13 August: 11.15am – 1.45pm**

**Essence: the art of great food**

Time: 11.15am - 1.45pm  
Cost: $179 per person

- Coach transport, lunch and beverages included, group size minimum 20, maximum 30.

Journey out through the wine region to your own luxury lodge where the resident chef will excite and inspire the senses with fabulous wine and food match creations. Enjoy an interactive “classroom” style session with a local winemaker and resident chef, sampling a selection of wines all matched with local foods. This structured tasting event is served “mini-plate” style over multiple courses with the winemaker explaining the characteristics of the wines and the chef describing the basic principles of the food.

We will discuss the classic wine and food match, why it works and why it doesn’t. A sensational event over three courses of matched wine and food – the perfect event for the “foodie” wanting to extend their knowledge base on wine and food matching.
Partners’ Programme

This year’s conference is all about work-life equilibrium and embracing a balanced lifestyle, so while you enjoy all that Marlborough has to offer, we thought that it would be nice to have a companion. This year we have created a special partners’ programme that can be booked during the delegate registration process. This will allow your partner a name badge, access to Nigel Latta’s sessions and the industry exhibition on Friday morning plus the ability to purchase tickets for social functions, lifestyle sessions and a partners’ tour, with options as follows:

**Thursday 11 August**

- President’s Reception ticket: $125 per person

**Friday 12 August**

- **Attendance to Nigel Latta's sessions:**
  - Dealing with difficult people (9.00am – 10.15am) Complimentary
  - The politically incorrect guide to being an adult (10.45am – 12.30pm) Complimentary

**The choice of attending one of the following lifestyle sessions:** (refer to page 11 for details)

Please note that if your partner requires a lunchbox to be provided prior to these sessions, this needs to be indicated and paid for.

- **The Cheese Files** $139 per person
- Partner lunchbox $25 per person
- **Greenfingers: behind the scenes of successful strawberries** $89 per person
- Partner lunchbox $25 per person
- **Conference Dinner ticket** $135 per person

**Saturday 13 August**

**Partners’ Gourmet Wine Tour**

- **Time:** A coach will depart the Marlborough Convention Centre at 10.00am, returning at approximately 2.30pm
- **Cost:** $144 per person
  - Coach transport, winery visits, tastings and two-course lunch included, group size minimum 25, maximum 40.

Experience the very best of the Marlborough wine region with a gourmet tour. This is ideal for the wine lover who appreciates great wines and the information gained from a structured wine tasting. This really is wine appreciation at its very best.

Indulge in privately hosted structured wine-tastings and winemaker hosted tastings along with wine and food match tastings. Visit Marlborough’s iconic winery of Cloudy Bay for a private structured tasting in the barrel hall, a fabulous experience for the wine lover.

Visit Wither Hills, one of Marlborough’s most stunning architecturally designed wineries where the winemaker will host an educational wine-tasting along with a wine and food match tasting that will pair award-winning wines with canapés of Marlborough seafood and fresh local produce.

Finish the day with a visit to Makana Chocolates for a tasting of divine handmade chocolates.
Keynote Speakers

Please note that speakers are listed in alphabetical order by surname. For further information on speakers, as well as their presentation synopses, please visit www.nzda.org.nz and click on the conference logo.

Raj Rattan
MBE, BDS, MFGD (UK), FFGD (UK), PgDip, MDE
Raj is a general dental practitioner and maintains his commitment to clinical dentistry at his practices. He has been a dento-legal adviser at Dental Protection Ltd since 1993. He has a long-standing commitment to postgraduate education and this is reflected in his role as associate dean in the London Deanery.

He has authored/co-authored several text-books and published numerous articles in the dental press and has contributed to a range of on-line and e-learning initiatives. He is a former government policy adviser, and continues to provide advice to NHS and private sector organisations on a consultancy basis. He is a sought after speaker on the lecture circuit and has lectured extensively in the UK and overseas.

In 2008, he was appointed MBE for services to dentistry. Outside dentistry, Raj lists his interests as motor sport and magic and has been a full member of the prestigious Magic Circle for over 20 years.

Nigel Latta
Nigel is a registered clinical psychologist and author. He was born and raised in Oamaru and spent his high school years at Waitaki Boys High School. He then went on to Otago University, where he completed an MSc in Marine Science.

Following that, he went to Auckland where he trained as a clinical psychologist and worked there for a period of some seventeen years in a number of agencies – Drug and Alcohol Rehabilitation, sex-offender treatment programmes, family therapy agencies, Child Youth and Family, Probation Services, as well as in private practice.

Nigel recently returned to Auckland with his wife and 2 children, after having spent the past 6 years in Dunedin. He currently works as a clinical psychologist in private practice and continues to consult with organisations and agencies throughout the country working mainly with children and young people, as well as adult forensic work. He lectures on a number of senior courses at the NZ Police College and is a frequently requested speaker at conferences and events for schools and organisations.

William Cheung
DMD, FAGD, FADI
Dr Cheung received his dental degree from the University of Pennsylvania School of Dental Medicine, USA. He is a Fellow of the Academy of General Dentistry and the Academy of Dentistry International. He maintains a multi-specialty practice in central Hong Kong.

He is an honorary associate professor at the University of Hong Kong Faculty of Dentistry and Honorary Lecturer at the University of Pennsylvania School of Dental Medicine. He is also the continuing education programme director in Asia Pacific for the FDI World Dental Federation.

Dr Cheung has lectured internationally and has published over 10 abstract and papers in various dental journals and magazines. He serves on the International Editorial Board of the Journal of the American Dental Association (JADA) and is an associate editor of Hong Kong Dental Journal.

Invited Speakers

**Richard Everts**

Richard is a specialist in infectious diseases, internal medicine and medical microbiology at Nelson Hospital. He has run workshops and given talks on work-lifestyle balance for ten years to various groups of junior and senior doctors.

**Kim Gear**

*BDS, BSc(Hons), MBChB*

Kim Gear is an oral medicine specialist at Greenlane Hospital, Auckland, New Zealand.

Having qualified in the 1990’s from the University of Otago with a dental degree and Bachelor of Science with Honours (majoring in microbiology), she completed two years as a maxillofacial house surgeon at Waikato Hospital, Hamilton and then moved to Auckland to commence training in oral medicine under the guidance of Dr David Hay. Kim qualified in Medicine from the University of Auckland as part of her postgraduate training and then commenced a Master of Medical Science in Oral Medicine. Her dissertation focused on the quality of life in patients treated for head and neck malignancies.

Kim’s previous awards have included the Butland Prize for the trainee intern showing the most promising clinical ability in 2006, the New Zealand Dental Research Foundation Prize and Australasian Pierre Fouchard Academy Scholarship for All Round Academic Performance.

Kim is very much looking forward to attending and presenting at the NZDA conference in August.

**Joe Geenty**

*MDS(Otago), MRACDS*

Dr Joseph Geenty received his dental training at Otago University, New Zealand, graduating BDS in 1975. He spent two years as Dental Registrar at Napier Hospital before returning to Otago in 1977 to begin postgraduate training in Orthodontics, completing his MDS in 1980. Joe emigrated to Australia and started practice in Wollongong in 1981. In 1985 he was appointed part-time clinical associate in orthodontics at Westmead Hospital and in 1993 a senior clinical associate at the University of Sydney. In 2008 he was appointed clinical senior lecturer at the University of Sydney. Dr Geenty is a partner in an orthodontic practice in Wollongong and also spends two days a month teaching post-graduate students at Sydney University. He also coordinates a continuing education orthodontic course for general practitioners at Sydney University. His areas of special interest are orthodontic appliance design, sequential aligners and indirect bonding. He is currently involved in research examining the biomechanical behaviour of sequential aligners at Sydney University. He has authored and co-authored several original articles. He was President of the NSW Branch of the Australian Society of Orthodontists in 1999 and 2000.

Lyndie Foster-Page  
*BDS, BSc, Dip Clin Dent (Perio), MComDent*  

Dental epidemiologist and dental public health specialist Lyndie Foster Page commenced her career in general dental practice in New Zealand, before working and researching for five years in dental public health. She has recently been appointed as a senior lecturer at the University of Otago, School of Dentistry. She has achieved a number of publications in international peer reviewed journals. Much of her research is concerned with oral health-related quality of life in adolescents and she recently was awarded her PhD in this field. Her clinical research encompasses a wide range of oral conditions, most notably in the field of dental caries, particularly in novel approaches to managing caries in the community. She now leads the teaching of the cariology program at the faculty and teaches operative dentistry to second and third year students.

David Henton  

David is the director of Confident Communication Limited, based in Auckland, New Zealand. He comes from a scientific background, having graduated from the University of London with a first class honours degree in civil engineering.

Arriving in New Zealand from Kenya as a senior geotechnical engineer in 1987, he has worked for over two decades in the field of human communication, conflict resolution and personal motivation. His engineering background gives him a valuable insight into the needs of modern business, as well as a highly “hands-on”, practical approach to the communication and management skills he teaches.

David is currently providing top-quality staff training to organisations of all sizes within the business community throughout New Zealand, the Middle East, the Pacific Islands, USA and Australia. As a recognised specialist in the field of human communication, he is in demand as a workshop facilitator, presenter and motivational conference speaker.

Jules Kieser  
*BSD, BSc, DSc*  

Jules Kieser obtained a BSc from the University of the Witwatersrand, South Africa, in 1971 before going on to qualify as a dentist in 1975. He went into practice first in the outback of South Africa and subsequently in London and Johannesburg.

While in practice, he received his PhD in 1989 and was appointed as reader in craniofacial biology and also honorary professor of anatomy at Wits. In 1996 he was appointed to the chair, and head of the department of oral sciences, University of Otago in Dunedin, New Zealand. He currently heads the Sir John Walsh Research Institute at Otago University. His research includes biomechanics and anatomy of the oro-facial region, and forensic biology.
Jonathan Leichter  
**BA, DMD, Cert Perio (Harvard University)**

Dr Leichter is a periodontist and Senior Lecturer at the University of Otago School of Dentistry. He received his DMD from Tufts University and his specialty training at Harvard University School of Dental Medicine. He maintained a private practice limited to periodontics and implant dentistry in Boston and New York for 20 years prior to joining the Faculty in 2002. His research is focused on dental implants and multi-disciplinary laser applications in dentistry. He has lectured and presented his research in New Zealand, Australia, the U.S., Central America and Asia.

Kindly sponsored by [Johnson & Johnson](#)  

Erin Mahoney  
**BDS, FRACDS, MDSc (Paediatric Dentistry)**

Erin Mahoney is a paediatric dentist presently working at the Hutt Valley DHB. Erin graduated from Otago with a BDS in 1995 and obtained her specialist training in paediatric dentistry in 2001 at the University of Sydney and FRACDS in 2000. She then completed a PhD in dental enamel defects and cariology in 2005 and since then has worked clinically, while keeping up research work as part of her HRC Emerging Researcher grant. Erin has won numerous prizes and publishes widely. She now balances working at the Hutt Valley DHB and looking after her three young children.

Kindly sponsored by [Colgate](#)  

Andrew Malcolm  

At the moment Andy is just living the dream. He says family is his first priority, with Sarah being the love of his life. He enjoys the challenges three teenagers bring, and if nothing else it allows him to understand better how to deal with his work colleagues. Andy works as an urologist in Nelson and Blenheim. Oncology, especially prostate cancer, is his area of interest. He finds his work interesting, challenging, fun and it provides him with an income that gives him the freedom to have choices and opportunities to travel. Andy lists his interests as people, reading, rugby, philosophy, films, exercise and craft beers.
Hien Ngo  
*BDS, MDS, PhD, Grad Cert Educ, FADI, FICD, FPFA*

Dr Ngo has extensive experience in private practice, research and education. He qualified in dentistry at the University of Adelaide in 1982, completed a Master of Dental Surgery in prosthodontics and a PhD in the fields of dental materials and cariology.

Dr Ngo was the principal of a general practice located in the business district of Adelaide. With a staff of five, he delivered good dental care based on the philosophy of minimal intervention over a period of 18 years.

In research, he is active in the areas of dental materials and cariology; he was appointed Visiting Research Fellow to the Adelaide University in 1998, research director of the Colgate Australian Clinical Dental Research Centre, Adelaide University in 1999 and research consultant of the centre in 2003, associate professor, working in the fields of dental biomaterials and minimal intervention dentistry, to the Adelaide University in 2003. Since 2007, he has been working for the National University of Singapore. At present, his main focus in research revolves around the management of caries and the interactions between the glass-ionomers and the dental tissues. He has been a technical consultant to several dental organisations and was co-inventor of several dental products.

As an educator, he has published and lectured extensively in Australia and internationally on the above topics. He was instrumental to the establishment of the “Minimal Intervention 2020” projects in Adelaide and other dental schools in South East Asia. He serves on the editorial board of the Journal of Dentistry, Journal of Oral Health and Preventive Dentistry.

---

**Gerry Thyne**  
*MDS, MB ChB, FRACDS (OMS)*

Gerard has worked in Wellington for seventeen years in private and hospital practice. He has a special interest in implant surgery ranging from single tooth, immediate and delayed reconstruction, through to full arch immediate replacement. Gerard performs a range of dentoalveolar and orthognathic surgery and has a hospital appointment at Hutt Valley District Health Board. He has probably removed 40,000 wisdom teeth! Outside of work he enjoys skiing, sailing, golf and relaxing.

Register Online

Visit the website www.nzda.org.nz, click on the conference logo, then on the registration page and follow the link to the online registration form. Payment can be made by credit card (Visa, MasterCard or AMEX secure transmission facilities provided) or an invoice can be requested.

Once completed, you will receive an automatic acknowledgement of your registration. A confirmation letter and invoice/receipt will be emailed to you within three working days. You may access and amend your registration details online until two weeks prior to the conference.

Mail the completed registration form together with your cheque or credit card payment to:
NZDA Conference 2011
Conference Innovators
PO Box 7191
Christchurch 8240
New Zealand

A summary of your registration and a tax invoice will be sent to you via email within five working days.

Fax the completed registration form (both sides) together with your credit card payment to 03 379 0460.

Special Requirements

Please give details of any special diet or disability assistance required on your registration form.

Cancellations

Should you need to cancel your registration, you may re-assign your registration to another person. Please notify the conference managers in writing. If you are unable to arrange a replacement, a refund less an administration charge of $100 + GST will be made provided notification is received by Friday 8 July 2011. After that date, refunds will be at the discretion of the New Zealand Dental Association. If, for reasons beyond the control of NZDA, the conference is cancelled the registration fee will be refunded after deduction of expenses already incurred.
Accommodation

The conference has secured a wide selection of accommodation in Blenheim for delegates to choose from. Please be aware that accommodation in Blenheim is limited and that all rooms will be allocated on a first-in basis until Friday 8 July 2011, subject to availability. After this date the rooms will be released and no guarantee can be made that rooms will be available for late bookings. Rooms can only be secured by registered delegates. Bookings can be made either as part of the online registration process or via the registration form.

All accommodation bookings must be secured with a credit card. The credit card will be used as a guarantee only and no charges will be debited prior to check-out (apart from any cancellation fees that may apply). On check-out, your accommodation costs and incidentals may be settled with cash, EFTPOS or credit card. Cancellation fees may apply any time within the month prior to conference.

Should you wish to make an amendment to your booking, you may do so by contacting Conference Innovators on 03 379 0390 or via registration@conference.co.nz up until Friday 8 July 2011. After this date all amendments must be made directly with the motel, the contact details for which will be available on the conference website, as well as on your confirmation letter.

We remind you that if you are staying at a motel, unless mentioned below in the price list, there will be no breakfast available for purchase.

For further information on each property, including images, please visit the conference website via www.nzda.org.nz. Please refer to the map on the inside back cover for specific property locations.

All prices are inclusive of 15% GST and are per night.

Star Ratings

For ease of reference, properties have been listed by their approximate star rating (five stars being of best quality, one star being of lesser quality), then in alphabetical order.

Please note that in many cases this rating has been provided by the motel/ hotel and while every effort has been made to secure the best accommodation in the area, the conference does not accept responsibility for this rating.

Conference Shuttle

The Conference Shuttle will be provided to assist transportation for delegates throughout the conference, such as morning pick up, afternoon drop off and social events. The official shuttle timetable will be provided to registered delegates two weeks prior to the conference.

### Privacy

The information supplied on this registration form will be shared and used by NZDA. The Privacy Act 1993 requires that, before you name and address details can be published in the list of delegates either for distribution to fellow delegates or any other party, you must give your consent. Unless you advise Conference Innovators, your name, organisation and email address will be included on the list of conference participants distributed to delegates and sponsors.

### Cancellations

If you need to cancel your registration, you may reassign your registration to another person. Please notify the conference managers in writing. If you are unable to arrange a replacement, a refund less an administration charge of $100 + GST will be made provided notification is received by Friday 8 July 2011. After that date refunds will be at the discretion of the New Zealand Dental Association. If, for reasons beyond the control of NZDA, the conference is cancelled the registration fee will be refunded after deduction of expenses already incurred.

### Goods & Services Tax

All prices indicated on this form are inclusive of 15% GST.

**For fax purposes only**

**NAME** ______________________
### Accommodation

Please note your credit card details must be supplied to secure your accommodation booking (see overleaf). No charges will be debited prior to check-out (except late cancellation fees which may be applicable). Accommodation can be settled with cash, EFTPOS or credit card on departure. Room rates include GST.

Please indicate your preference; rooms will be allocated on first-in basis and all prices are per room, per night. Please refer to pages 20-24 of the registration brochure for full information. If all your preferences are fully booked then another option of similar standard will be booked.
