

Clare O'Leary

ACP Promotions Coordinator

Clare's focus is to drive a national campaign on advance care planning, to review and create new ACP resources for diverse communities of interest across Māori, Pacific and Asian populations, people with disabilities and the LGBTQI+ communities. Her role involves building relationships with stakeholders across government agencies, non-government organisations and community. Clare has a background in nursing, health education and media and was previously palliative care educator at Mary Potter Hospice, Wellington for almost eight years. She is also a documentary filmmaker and has made films about artists, writers and social issues. Clare has a Masters in Communications from Victoria University of Wellington. www.myacp.org.nz
