

Simon van Velthooven
Olympic and World Championship Medalist
Emirates Team New Zealand

"After claiming New Zealand's first Cycling Track Sprint Olympic Medal in London, Simon was asked to trial, develop, and train the sailors for the Americas Cup cyclor innovation.

Simon will provide a behind the scenes look and talk on the ETNZ campaign, what the team over came, the innovation and technology, and of course the team culture which allowed them to accomplish what they set out to do"
